38YEARS ANNIVERSARY

OUR MISSION

To provide sustainable livelihood to our partners and continuously play a vital role in improving consumers' ever changing lifestyle.

OUR VISION

To be recognized as a trusted industry leader in the field of manufacturing and marketing for the plastic industry.

About Us

Established in the year 1988

Sunnyware® was realized through one man's dream of innovating and producing quality yet affordable plastic houseware for everyday use. Sunnyware® was made for the Filipinos, by the Filipinos.

Today, millions of consumers worldwide including in Canada, USA, Malaysia, UAE, Hong Kong, Singapore, etc, now use Sunnyware® products to help make their everyday lifestyle easier. Through our wide range of product categories from Householdware, Kitchenware, Laundryware, Gardenware, School & Office plasticware, and even to the industry - Sunnyware® is "Created for Your New Lifestyle".

Over the years, Sunnyware® has become a major forerunner in the local manufacturing industry of household plasticware and is still striving to provide innovative and practical designs for everyday needs.

Why Choose Us

Phil-Top Industries, Incorporated, is a well-established and recognized plastic manufacturing company that has consistently delivered high-quality and innovative products to its customers for 37 years.

Our Commitment

- Consistent product durability
- Modern & functional design
- Competitive pricing
- Fast production and on-time delivery
- Responsive customer support
- Strong partnership reliability

With world class equipment, skilled professionals, and a culture of continuous improvement, we deliver products crafted to meet the needs of today's homes and businesses.

Advancing Quality through Innovation

Sunnyware is proud to celebrate a new milestone in our pursuit of quality and innovation. In partnership with JG Summit Olefins Corporation (JGSOC), our products are now certified with the UL Environmental Claims Validation (ECV)—a globally recognized standard that affirms sustainable and energy-efficient manufacturing.

Leveraging JGSOC's premium polypropylene resins and advanced clarifying technology, Sunnyware products are produced with up to 10% energy savings during manufacturing. This ensures every item is crafted with greater efficiency, reduced environmental impact, and the durability that Sunnyware has long been known for.

With 37 years of expertise, Sunnyware remains committed to providing reliable, affordable, and high-quality houseware that elevates the everyday lives of Filipino families. This certification reinforces our dedication to excellence, sustainability, and customer satisfaction.

Sunnyware — Quality crafted through innovation. Trusted in every home.

Product Safety & Quality

Your safety comes first. Every Sunnyware product is made from premium, food-safe materials and undergoes strict quality inspections to guarantee reliability you can trust every day.

- BPA FREE – No harmful chemicals
- UL CERTIFIED – Tested for safety and performance
- FOOD SAFE – Approved for direct food contact
